Dear Friend of Greely Drama,

We are excited to announce that our Spring 2019 production, ***West Side Story***, will be performed in the new **Greely Center for the Arts!** It will be Greely Drama's inaugural performance in Greely High School's new state-of-the-art performance venue. It's sure to be an exciting experience for all. We can't wait to showcase our talented students performing this beloved musical on the GCA stage! Performances are scheduled on: March 28, 29, and 30 at 7:00 pm and March 31 at 2:00 pm.

Greely Drama offers businesses the opportunity to place ads in our show programs. You can promote your business while also supporting the arts at Greely High School. With a tight school budget and limited funds available for the arts, these productions would not be possible without your support. We believe that involvement in the arts has a positive impact on our students. It's through your generous support that we can make enriching programs like Greely Drama available to them.
